Good Day Farmingdale Residents:

I would like to briefly explain the disparity of appearance from the ‘typical’ high school report card and the reproduction you recently received in the mail.

Farmingdale School District converted to a new Student Management System called “Infinite Campus” in October 2008. As a result, certain aspects of our typical daily and quarterly practices have been altered slightly, one being the report card design. The REPORT CARD you received is a temporary style. We are in the process of developing a custom report card that will closely resemble our traditional format and will include additional items of interest such as a quarterly average. Honor Roll candidates will continue to be calculated in the long-established manner for the first marking period. My goal is to have the ‘new’ report card ready for use in the next quarterly cycle.

If you have any questions, please do not hesitate to call Farmingdale High School at 752-6600. Thank you.

Sincerely,

Glen A. Zakian
Principal
