Dear Parents and Guardians:

I would like to take this opportunity to address a rumor of threat that has been looming at Farmingdale High School for the past few weeks. The high school administrative team, along with the Nassau County Police Department, have worked collaboratively and interviewed numerous people whose names were brought to us. We have also interviewed a large number of brave students, and parents, who have come forward after ‘hearing’ of these rumored events. The police have been diligent in investigating every name that has been mentioned even outside of the confines of Farmingdale High School as well.

At this point, the rumor continues to ‘grow’ and change on a daily basis. I am confident to report that all leads, names and tips that were investigated have not developed into actual events. I encourage you to speak with your child regarding this matter and thank you in advance for maintaining an open line of communication with my office.

Regards,

Glen A. Zakian  
Principal
