

Weldon E. Howitt Middle School

Farmingdale High School
Class of 2028

Let's get ready for High School!!!

Hello! My name is Mrs. Boyon and I have the pleasure of being the school counselor for grade 8.

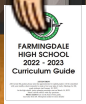

I began my Daler journey in 1999 as an Elementary School Counselor at Albany Avenue and Saltzman East Memorial. In 2003, I moved to Howitt and have been enjoying Middle School ever since!

During the months of December through April, I will be hosting our individual High School planning meeting. Please review the slides below for further information

ENL & Self-Contained Support Counselor

Hello! My name is Lynn Michalowski and I am the 8th grade counselor for all students who receive ENL and/or self-contained support services. This is my second year in the Farmingdale School District. Throughout my career, I have had the pleasure of counseling students at the elementary, middle and high school levels. I have a strong understanding of students' needs throughout these pivotal years.

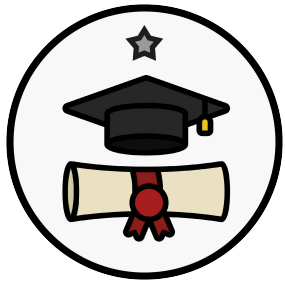

I have been meeting with my students individually and for classroom lessons. I am now looking forward to working with each of you in the coming months for academic planning.

Your parent/guardian will receive a message via **Parent Square** with sign up instructions.

This will include a **Google Meet** link for them to join our planning meeting. Students will be scheduled in person and parents will attend virtually.
