Approval of Policy #5110-R School Attendance Areas Regulation

RESOLVED, that the Farmingdale Union Free School District Board of Education adopt Policy No. 5110-R, School Attendance Areas Regulation, in accordance with Board Policy 2410.

SCHOOL ATTENDANCE AREAS REGULATION

Assignment of Students to Buildings

The Board of Education has established geographic elementary school attendance zones as shown on official maps of the district. These school attendance zones are designated by letter or number as listed below. Each student shall attend that school assigned as the receiving school for the zone in which he/she resides. The official district map shall be kept on file in the Transportation Office where it may be examined by district residents.

Attendance Zones:

Students grades K-5 residing in Zones:

- a. L, M, N, P, Q, R, S, and 3 shall attend the Albany Avenue School.
- b. A, B, C, D, E, F, G, H (north of the Southern State Parkway), and J shall attend the Saltzman East Memorial School.
- c. T, 1, 2, 5, 6, 7 (north of Fulton Street), 8, and 9, shall attend the Northside School.
- d. 4, 7 (south of Fulton Street), U, V, W, X, Y, Z, K, and H (south of the Southern State Parkway), shall attend the Woodward Parkway School.

Exceptions

An exception to the above policy concerns the assignment of students with disabilities, as determined within the discretion of the District, Committee on Special Education and/or 504 Committee. In addition, the sibling(s) of a student with a disability may attend school outside his/her attendance zone, in the same school building as his/her disabled sibling with transportation, through the completion of all grades regularly offered at that school building, even if his/her disabled sibling has already graduated at the election of the parent or guardian.

The Board also recognizes that exceptions may be made in the following limited circumstances, as determined solely within the discretion of the District:

- a. In those cases where a shift in schools would be required by reason of a demonstrated personal and/or family hardship, the Board offers this avenue of appeal. In each instance of alleged hardship, the parent shall seek relief, via written application, submitted through the Superintendent to the Board. The application shall list specific reason for the hardship claim. Exception to the mandated zone assignment in this instance shall be only by approval of the Board.
- b. In those cases where a shift of schools is warranted for physical, mental or emotional reasons, the Superintendent, or his/her designee, may effect, upon proof of need, said transfer with notification to the Board. Said proof of need shall be in the form of a certificate from a psychiatrist or psychologist, or physician with input from and review by corresponding district personnel.
- c. When a family moves from one attendance zone to another zone within the district, the child shall be permitted, upon request to the Superintendent or his/her designee, to finish the school year. In such a case, transportation may be provided on the basis of availability. When existing transportation is not available, transportation shall become the responsibility of the parent. The objective of such a waiver is to permit students to complete the school year at "their" school; however, all conditions under the waiver shall cease at the conclusion of the school year.
- d. In those cases where a shift in schools is necessary due to homelessness as determined within the discretion of the District.

The Board shall not consider transfer requests which are based solely upon the preferential, selective judgment of the parent.
